

Equality and Diversity Policy Statement

Leeds & Yorkshire Housing Association values diversity and is committed to ensuring and promoting equality of opportunity in housing and employment and in the provision of its services.

Leeds & Yorkshire Housing Association is opposed to discrimination, either directly or indirectly, at any level. We will not treat any person less favourably than someone else because of their race, colour, ethnic origin, nationality, religion, belief, or lack of religion, belief, gender, gender reassignment status, age, marital status, sexual orientation, disability or any other matter which causes a person to be treated with injustice. We aim to promote good relations between different groups of people.

Provision is made to ensure there are no barriers to inclusion, and applications for housing and employment are welcomed from all sectors of the community.

Leeds & Yorkshire Housing Association recognises the need to value each individual in their own right, treating people with dignity and respect. Provision is made to ensure that our services meet the needs and requirements of all our customers and employees.

Leeds & Yorkshire Housing Association expects its employees and contractors to promote its commitment to equality and diversity at all times.
